RE: End of Current Business Operations Notification

All great things must eventually come to an end.

After forty two successful years in the professional land mobile two way radio and wireless communications industry, Quality MobileCommunications, LLC will be closing all current business operations as of **December 31st 2018**. Final aspects of winding down current company activities will continue until 01/31/2019.

We sincerely thank you and appreciate your past support over those 42 years. It has been a privilege to have been of service or to have done business with you.

I intend to continue to be active in the industry as I begin retirement and will be available to you as a consultant or in an advisory capacity should you need my assistance. I may be contacted via the email address below or via telephone – 360 606 2298 – after December 31st, 2018.

Please note that the existing legal corporate entity – Quality MobileCommunications, LLC – will continue beyond January 31st, 2018 with a revamped selection of radio/wireless professional services to be provided.
